February 7, 2020

The purpose of this addendum is to provide detailed information to all Bidders. This addendum is hereby included in and made part of the Contract Documents, whether or not attached thereto. Receipt of this Addendum must be acknowledged on the bid form.

**CLARIFICATIONS TO BID:**

Please note that for RFB-2020-18 Vegetation Control, the application of vegetation control to the SIGN POSTS is completed on an as needed basis only and is not completed every year. It is however completed as part of the application to Guide Rails (and not as a separate mobilization). Therefore, the County will determine the awardee based on the sum of guide rail & fence application.

**RESPONSE TO QUESTIONS SUBMITTED:**

**1. FOR BID RFB-2020-18 VEGETATION CONTROL:**

Is it necessary to bid on all three elements of this bid (guide rails, fence, and sign posts).

**RESPONSE:** Yes, the County will be executing one contract for this bid, so the awardee must be able to complete the items requested and as noted above.
