UNMANNED AIRCRAFT SYSTEM-OPERATOR TRAINING

ADDENDUM #1

September 4, 2019

The purpose of this addendum is to provide detailed information to all Proposers. This addendum is hereby included in and made part of the Proposal and Contract Documents, whether or not attached thereto. The following changes to the specifications and/or drawings, shall prevail the original Proposal Documents and all requirements of the original specifications shall remain in force except as amended by this Addendum. Receipt of this Addendum must be acknowledged by signing and including in the proposal package.

Questions:

1. Do you have specific amount of days for training in mind or are limited to?
RESPONSE: Depending on how long it takes to teach the material and training requested. Expecting less then one week.
2. Are you limited to a certain amount of hours per day (7.5 or 8 for example)? Or could we put together a proposal for a 10 hour day for example.
RESPONSE: 8 hour day including breaks.
3. From what I am reading these operators do not need Part 107 certification, can you confirm? If they do need Part 107 certification will an online course work for them or do they require classroom training?
RESPONSE: All pilots have 107 certification.
4. Does Schenectady have a defined drone program (Policies-Procedures-SOP-SOG) or do they need assistance with this?
RESPONSE: Drone program is established.
5. Has Schenectady applied for a FAA Certificate of Authorization?
RESPONSE: COA Application is in process.

Apart from the items outlined in this addendum, all other provisions of the original scope shall remain in effect.

Please acknowledge this addendum and return with your proposal package.
